

**Extended Day STEAM Program**  
**Lunch and Extra Learning at School!**

Our new Extended Day STEAM Program is a Science, Technology, Engineering, Arts and Mathematics based program that allows kids to have more time at school to grow their social and academic skills through play and focused experiences. This year, we are offering 3 opportunities for your child to be part of this program. The Extended Day STEAM Program will meet weekly on Tuesdays, Wednesdays & Thursdays for the 2024-25 school year. This is an optional program open to all students (except Bright Stars) that attend school in the mornings. Students bring a packed lunch and stay after school for additional guided learning, arts, and social building with friends. It runs from October to May and lasts from 11:30 - 1:00pm.

Starting in October, groups meet up to 3x/week on Tuesday, Wednesday, and/or Thursday, depending on your preference. The cost of the program is \$15/day, paid one time or broken into 2 payments due with your Oct and Feb tuition. Priority is given to our Pre-K students to get them kindergarten ready, specifically those going into full day kindergarten. Please consider your child’s physical and emotional health when deciding on this longer day as it can be especially hard for younger students. This popular program has limited space.

	Days Per Week		
	1	2	3
Oct.1-Jan.23 (13 Weeks)	\$195	\$390	\$585
Jan.28-May 2 (13 Weeks)	\$195	\$390	\$585
Total for the Year	\$390	\$780	\$1170
