

Food and Birthday Policies

We do not allow outside food, treats, or goodie bags to be brought into school. Please be mindful of this rule as it is to protect our children with food allergies, dietary restrictions, and those coming from diverse income circumstances.

We do have ways that can help celebrate your child's special day, while giving the opportunity to teach our children the importance of kindness toward those less fortunate. Please remember, it is not necessary to make a donation towards the birthday celebration. Each child's teacher and classmates will treat them in a special way during class on their birthday. Parents are welcome to come in and read to your child's class on their special day.

Option #1 –L.I.F.E* Food Pantry Donations

*L.I.F.E (Loveland Inter-faith Effort) is the food pantry that used to be housed here at Prince of Peace. They are now located close to downtown Loveland and serve approximately 150 families a month and the number keeps growing!

- Bring in nonperishable items such as canned goods, boxed cereal, Mac and cheese, etc...
- Create a "birthday celebration" pack. Include in a 9" x 12" aluminum pan and all the things that are needed to make a cake or birthday celebration. Items could include: cake mix, icing, candles, decorations for the cake, napkins, etc. Create your own!

Sometime during class, the children will take the donations to the L.I.F.E donation bins and donate them in honor of your child.

Option #2 - A donation of a children's book to the class

Have your child pick out a special book to donate to his/her classroom. We put a special sticker in the book that will honor your child. Imagine a class library filled with your children's most special and cherished stories.

Thank you for assisting us in providing a safe and fair environment for all our children. Please see Rebecca Behbehani with questions or concerns.
