

POP Kids School Scholarship Application

POP Kids understands that the expense of preschool can put a strain on a family’s budget. We strive to keep tuition low while keeping a high quality program because we know first-hand how important a preschool education is to a child’s development. First priority goes to Pre-K students since they will be entering kindergarten the following year. Three year olds still have another opportunity in Pre-K.

POP Kids works within a specific scholarship budget each year. Scholarships are based on income eligibility where parents may be expected to pay a portion of their child’s tuition based on a sliding fee scale.

Our ability to offer scholarships is dependent upon the financial condition of our preschool. The criteria for scholarship levels are as follows:

1. The availability of scholarship funds
2. The number of scholarship applicants
3. The family’s size and annual gross income guidelines
4. Circumstances for assistance – loss of job, health issues, etc.

Household Size	Income below
2	\$31,020
3	\$39,060
4	\$47,100
5	\$55,140
6	\$63,180
7	\$71,220
8	\$79,260
Each additional	Add \$8,040

Scholarship Application Process:

1. Scholarship applications are processed confidentially by the Program Administrator and School Board.
2. Applications must be submitted with enrollment paperwork **(IF AFTER THIS DATE, PLEASE CALL SCHOOL BEFORE FILLING OUT APPLICATION TO CHECK ON AVAILABILITY)**.

6. Scholarship applications received by May 22, 2024 will be considered if there is budgeted money available or if a current student's family experiences job loss or other financial difficulties during the school year. Decisions will be made as quickly as possible but are dependent on Board meetings scheduled.
